If your little one is out-of-sorts, halfsick, isn't resting, eating and acting naturally-look, Mother! see if tongue s coated. This is a sure sign that it's little stomach, liver and bowels are clogged with waste. When cross, irritable, feverish, stomach sour, breath bad or has stomach-ache, diarrhoes, sore throat, full of cold, give a tesspoonful of "California Syrup of Figs." and in a few hours all the constipated polent, undirected food and soul bit. poison, undigested food and soul bil-gently moves out of its little bowels without griping, and you have a well, playful child again.

Mothers can rest easy after giving this harmless "fruit laxative," because it never falls to cleanse the little one.
